1. Career Guidance –Motivational Programme

Career Guidance Programme was conducted on the present employment Opportunities for Diploma students in private industries, in public sectors and in Government sectors. Motivational speech was presented by the resource person Dr.Nimalan Margathavel.S.P on Self Confidence, how to behave with teachers, parents, Friends and also with other elders for all department Students on 09-09-2022 at Auditorium which was headed by Thiru.GowriShankar, District Employment officer, Krishnagiri and Dr. Nimalan Maragathavel S.P., Motivational speaker. The guest was addressed by the principal.

Dr. M. Lakshmi warmly welcomed the guest.

Employment Officer Mr.Gowrishankar gave a detailed explanation on how to approach for private and government jobs. If the students seek for Government job then how to prepare themselves for the examination and update their knowledge on topics like current affairs. He also mentioned about the wide range of opportunities that are available in private sectors

Dr. Nimalan Maragathavel.S.P motivated the students on how to increase their confidence level. He also asked on spot questions to the students and awarded them with gifts. Students well received the points given by both the guests.

PLACEMENT OFFICER

(Dr.M.LAKSHMI)

PRINCIPAL

(Mrs.HEPZHIBA ANGELA DURAIRAJ)

1. Career guidance program on Entrepreneurship and Startups- Business Plan:

Career Guidance Programme was conducted on 02-11-2022 at Auditorium, GPTC Campus, Uthangarai. The Guest **V. Gopi, Manager** from **S.K.M.T Electronics Pvt. Ltd., Tirupattur** delivered session on Entrepreneurship and Start up. The third year student Ms.Loshni of Electronics and communication Engineering welcomed the Resource Person, and then the session was handed over to Resource Person. The session was mainly focused on how to start a business. The students were motivated by hearing to the success stories of recognized Indian and Global Entrepreneurs.

He gave a demo on how to register in MSME. He also gave detailed information on schemes that are provided by the government. Those valuable and thought-provoking points were well received among students and enlightened them. A self-employed person does not work for a specific employer who pays them a consistent salary or wage. So, prefer self-employment instead of employer's employee. Lot of government schemes introduced to support startups and MSME's like Pradhan Mantri Mudra Yojana. For registration of MSME, we need to login to 'UDYAM' portal. We need to upload our details. On successful verification, a registration number will be generated. Entrepreneurs play a key role in any economy, using the skills and initiative necessary to anticipate needs and bring good new ideas to market.

Entrepreneurship that proves to be successful in taking on the risks of creating a startup is rewarded with profits, fame, and continued growth opportunities. Awareness created among students about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

2.Career guidance program on Expectations of an Industry:

Date: 17-11-2022

Every year, countless students pass out from Polytechnic colleges and Engineering colleges in India. The number of students graduating from Polytechnic and engineering colleges is much more in India than in countries like China and USA. Yet, approximately about 30% of the graduates get jobs while the rest either remain unemployed or take up jobs that are not related to their fields. Career Guidance Programme on Expectations of an Industry was conducted to focus out a few of the major expectations of the industry from diploma engineering graduates on 17-11-2022 at **Auditorium, GPTC Campus, Uthangarai..**

The Guest **V. Gopi, Manager from S.K.M.T Electronics Pvt. Ltd., Tirupattur** delivered session on Expectations of an Industry. The Lecturer Mr.Moorthi of Electronics and communication Engineering welcomed the Resource Person, and then the session was handed over to Resource Person. The session was mainly focused on What is the reason for this unemployment or underemployment? What could be the industry expectations from an engineering graduate? What are the students lacking that prevent them from getting the right jobs? Is it that the engineering graduates do not cater to the need of this budding industry or is there some other fact to justify this unique tendency?

The students were motivated with few of the following major expectations of the industry from technical graduates by the Resource person.

- Communication Skills
- Knowledge Beyond the Textbooks,
- Positive Approach
- Updated with Latest in Technology
- Ability to Multitask
